About Fenny Club and Resort

At FENNY CLUB & RESORT we provide a trip down the memory lanes of your childhood. A place for urban dwellers who seek solitude and peace far from maddening cities, who are looking for authentic rural experiences to refresh their memories. Not many people have experienced before, destinations in rural parts of India with untouched natural beauty and serenity, where an earthy way of life can still be experienced. As you set off the beaten path, our rich rural experience let you discover the vibrant culture of a typical Indian village, indulge in delectable local food, uncover traditions and ways of rural life, rejuvenate your spirit with the folk music & dances, discuss local legends.

We aim to create employment opportunity for local villagers and artists by providing them with an opportunity to showcase and promote their talent to the general public, guests and visitors by bringing them all a common platform where guests can not only experience and enjoy local art and tradition but also feel the ways of life of rural India.
